NEW HAWAII TRAVELER TIPS GUIDE AVAILABLE TO ASSIST VISITORS WITH DISABILITIES

HONOLULU - The Disability and Communication Access Board (DCAB) has prepared a Hawaii Traveler Tips Guide to assist visitors with disabilities who visit Hawaii. There are four individual guides for the islands of Oahu, Hawaii, Kauai, and Maui (including Molokai). This guide contains information about the accessibility of our airports and public transportation and includes contact information for visitors to obtain adapted and accessible vehicle rentals, accessible taxis, sign language interpreters, and medical equipment and supplies.

The Hawaii Traveler Tips Guide is available at our website at www.hawaii.gov/health/dcab. From our home page select "Visitor Information".

Printed and electronic copies can be obtained by contacting Judy Paik at the Disability and Communication Access Board at phone 808-586-8121 or email judy.paik@doh.hawaii.gov.
